Wrannels

To give, carry & wear.

A new concept which turns every gift into a surprise.

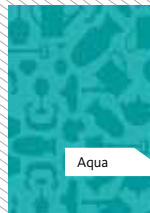

Make it into a fruit basket

For centuries the Japanese have used various folding techniques to wrap their gifts using textile.

Wrannels is a contemporary variation on these techniques. The pretty patterns and funky colours are printed on an eco-friendly fabric.

Folding instructions are inside the banderol.

Need a little more help? Just go to You Tube for a demonstration on the art of Wrannels, or to Wrannels.com
